

NETWORKING 4WD4KIDS NEWSLETTER

Vol: 02/2011

GREETINGS NETSMAN !

Solidarity one and all.

I hope this newsletter finds you as well as the NETS 4WD4KIDS event is progressing!

Yes the 2011 Hunt in the Hunter is well and truly shaping up as a traditional event and as usual one with a difference.

We will take in Stockton beach and try out some sand dunes as well as some great bush roads.

We will even see Ayres Rock ... and all this within only a couple of hours drive from Sydney!

It will be a great gathering of people and driving.

We are set to start in Newcastle on the 16th April and finish in the Hunter Valley on the 18th April.

Exact start and Finish locations will be advised closer to the event.

BROCHURE & ENTRY FORM

The 2011 entry form and a generic brochure are also now available on www.nets.org.au

These can be: posted to: PO Box 8005 TUMBI UMBI NSW 2261

or faxed to: 02 4388 3665.

MEALS & ACCOMMODATION PRICES

In order to come up with these prices and keep them as low as possible we need to know how many people we are accommodating so help me

because I need to make this job as easy as possible.

If you're coming, please do the paper work!

ONLINE FUNDRAISING

All donation tallies on the NETS website have been cleared so it is now ready for you all to set up your fundraising pages and go for it!

It is important to get moving on this as it is a great tool to use when it comes to raising funds. Just go to www.nets.org.au and click on the 4WD4KIDS and register your page.

We know it's going to be hard raising donations this year but it's important to remember that small donations quickly add up.

With all the other disaster relief fundraisers happening at the moment, if you are struggling, please let us know as we may be able to help.

NETSVILLE

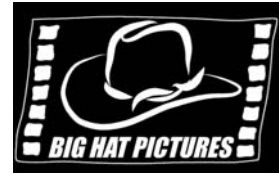

Do yourselves a favour and visit the Netsville website www.netsville.com.au. Check out the DVD and slide show of last year's event.

This DVD is a real master piece and a true look back on our event.

Well done Gary & Sue Schweikert, along with Ron, Maddy & Elly for a job well done.

The whole website is put together very well and is maintained by Big Hat Pictures, so thank you Gary & Sue.

As usual, great stuff from Big Hat.

JEFF'S WALK2 EAST TO WEST

'Jeff's Walk2' is a charity event organised by AME (Alternative Motoring Events) to raise funds for NETS.

On Sunday 24 April 2011 Jeff Johnson will set out from Australia's most easterly point, Byron Bay walking to Steep Point in Western Australia. Jeff's Walk2 will take approximately 167 days to complete the 5,000km journey.

Funds raised by Jeff's Walk2 will be used to maintain and replace the vital equipment the service uses on a daily basis.

Seventy year old Jeff has a proven track record, in 2007 he walked from Port Augusta in South Australia to Karumba in Queensland. He will be supported throughout the walk by Brian Mooney and the Alternative Motoring Events crew.

'JEFF'S PERSONAL CHALLENGE'

Jeff's love for children has energised him to not only don his walking shoes to raise funds but to also set himself a personal challenge to raise \$80,000 towards a new NETS Ambulance.

Jeff will personally raise \$2,000 for each stage that he walks. That is, 40 stages for a total of \$80,000. You can help Jeff raise double the amount to fit out the ambulance as well! !

Donate now to help Jeff in his personal challenge!

THE ANNUAL BYLONG MOUSE RACES

The Bear has set up a win for NETS within the organisation that runs this event and we need to show our support.

If you have nothing else on then come on up and be part of the fun and help support those who are supporting our cause. Who knows you or the kids may win big!

We already have a small contingent heading up with us,

so if you would like to link with us and join our convoy, please let us know.

We will camp overnight on the Saturday night and we are trying to find somewhere close that will accommodate our extended entourage of 4WD4KIDS vans, 4WD's and miscellaneous vehicles!

SPONSORS & DONATIONS

Once again we chase and accept any donation big or small whether that be money or goods in kind for items to auction or raffle.

Any help in these areas will be appreciated.

It all adds up!
